MEETING NOTICE

Sub: Meeting of Board of Studies in Aeronautical Engineering.
Ref: E-mail from the Chairman dated 30-10-2021

With reference to the above, the online meeting of Board of Studies in Aeronautical Engineering is convened on 11th Oct 2021 at 11 am to discuss on the following agenda:

1. Preparation of 3rd to 8th semester subjects (as discussed during the JBoS meeting held on 26.08.2021) for UG programme in AE and AS.
2. Discussion on designing the UG syllabus of one or two courses using the applications of Artificial Intelligence tools.
3. Finalisation of the proposal on MTech in Defense Technology under VTU
4. Any other points with the permission from the Chairman

The Chairman and Members are requested to make it convenient to attend the online meeting and send the proceedings to the office of the undersigned for further needful. Chairperson is requested to send the meeting link to all members.

To,

1. Dr. S. K. Maharana, Professor & Dean, Dept. of Aeronautical Engineering, Acharya Inst. of Technology, Dr. Sarvapalli Radhakrishna Marg, Solladevanhalli, Bengaluru --- Chairman

Dear Sir,

Sub: Requisition to attend the Second Board of Studies (BoS) meeting - reg.

Greetings from Dhanalakshmi Srinivasan Engineering College (Autonomous), Perambalur!!!

We take privilege in inviting you for the second Board of Studies (BoS) meeting in Department of Aeronautical Engineering as a Academic Expert, which will be conducted on 30.04.2021 "FN" (Friday) at Dhanalakshmi Srinivasan Engineering College (Autonomous), Perambalur-621212. It is proposed to implement and develop the syllabus (3rd to 8th semester) for the B.E (Full Time -Regular) program to the students admitted from the academic year 2020 - 2021. In continuation with that, the second BoS meeting for the department of Aeronautical Engineering is scheduled to be conducted in B-103 at 1.00 pm.

In this regard, we kindly solicit to contribute your valuable suggestions in syllabus based on the industrial expectations and advanced technology prevailing in the Aeronautical Engineering field. It will help our student's community to shape themselves for their bright future.

Hence we request you to make your presence for the second BoS meeting to have fruitful deliberations. We look forward to receiving a favorable reply.

Thanking You

Chairman-BoS

Chairman	Dr. A. Arokkiaswamy Professor and Head & Chairman of BoE Department of Aeronautical Engineering
Members	Dr. R. Rajendran Professor Department of Aeronautical Engineering
	Dr Pradeepa T. K. Associate Professor Department of Aeronautical Engineering
	Hareesha N. G Assistant Professor Department of Aeronautical Engineering
	Prathik Jain S Assistant Professor Department of Aeronautical Engineering
	Ranjitha P Assistant Professor Department of Aeronautical Engineering
External Member	Dr. R. Mukesh Associate Professor Department of Aero. Engineering , ACS College of Engineering, 207 Kambipura, Mysore Road Bengaluru - 560 074 Mob:77609 98700 Email-id:vsmprm@gmail.com

Dr. A. Arokkiaswamy
Professor and Head & Chairman of BoE

(Dr. A. AROKKIASWAMY)
Prof. & Head- Aeronautical engineering
Dayananda Sagar College of Engineering

Dayananda Sagar College of Engineering

(Recognised by All India Council for Technical Education, New Delhi
and Affiliated to Visvesvaraya Technological University, Belgaum)
(Accredited by National Assessment & Accreditation Council (NAAC) with 'A' grade
& ISO 9001 : 2008 Certified)

Date: 11th March 2018

To

Dr. R. Mukesh
Associate Professor
Department of Aeronautical Engineering
ACS College of Engineering
207 Kambipura Mysore Road
Bengaluru 560 074

Dear Sir,

Sub: Invitation to be Member of BOE- Aeronautical Engineering Board, DSCE.

With reference to the above subject, we would like to inform that the Dayananda Sagar College of Engineering has become an Autonomous Institution from 2015, affiliated to VTU Belgavi, approved by AICTE, accredited by NAAC with 'A' grade and ISO 9001:2008 Certified.

In this connection there is a requirement to establish a Board of Examiner Committee for the academic year 2018-2019, for the Department of Aeronautical Engineering, DSCE.

Therefore, we would like to request you to be a member for the BOE in Aeronautical board.

Kindly accept our invitation and we also request you to knowledge your acceptance by mail.

Thanking You

Yours Faithfully

(Dr. A. AROKIASWAMY)
Prof. & HOD- Aero Engg, DSCE
Chairman, BOE

Dayananda Sagar College of Engineering

Date: 24 AUG 2018

STRICTLY CONFIDENTIAL

Dr. Meekesh B. Dept of AE ACS B'lor

Sir / Madam,

Sub : Appointment as paper setter for Jan-Feb / June-July 2019.. Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam: B.E./B.Tech

Course/Branch:

Sem: Sub: Space Mechanics

Sub Code : 15AE653 No. of sets: One To be submitted before : 19 SEP 2018

INSTRUCTIONS TO PAPER SETTERS (CBCS SCHEME)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. **Each question will carry 16 marks.**
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed. (Applicable to Question papers of 3rd Sem onwards)
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours faithfully,

Registrar (Evaluation)

Encls :

INSTRUCTIONS TO PAPER SETTERS (CBCS 2016/17 SCHEME) Ph.D./M.Sc.(Research)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire ,.module and further, should be answerable for the set marks. **Each question will carry 20 marks.**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed bar code booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. **Each question will carry 20 marks.**
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed.
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution"** is liable for rejection.
- **Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.**
- **Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.**
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

Registrar (Evaluation)

INSTRUCTIONS TO PAPER SETTERS (CBCS 2016/17 SCHEME) Ph.D./M.Sc.(Research)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. **Each question will carry 20 marks.**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed bar code booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Rangaswami B.G.

To be submitted before: 05-06-2020

INSTRUCTIONS TO PAPER SETTERS (CBCS 2017 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. **Each question will carry 20 marks.**
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed.
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- **Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.**
- **Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.**
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

Registrar (Evaluation)

Sir,

Sub: Allotment of Examiners for Practical Examinations - reg.

You have been appointed as coordinator for the allotment of examiners for practical examinations of the One Time Exit Scheme (April 2018) and May, June-July 2018 for the colleges coming under your region.

The coordinator has to fix a date to meet at the respective regional office. The regional office will provide all support like list of examiners, stationery, dispatch of allotment letters etc.

Further, you may co-opt some of your colleagues to assist you, with the prior approval of the undersigned (One member could be co-opted for every 10 colleges).

You may contact the Special Officer of respective regional office for further queries.

IMPORTANT: Allotment of examiners for practical examinations of M.Tech. Programmes should be done by the Chairman of the respective Board of Examiners only.

Thanking you,

Yours faithfully,

Annigeri

Dear Sir,

Sub: Meeting of the Board of Examination in School of Mechanical Engineering

We are happy to inform you that, you have been appointed as member of the Board of Examination in School of Mechanical Engineering at REVA University. The meeting of Board of Examination in School of Mechanical Engineering is scheduled to be held on 11th April 2019 at 9.00 AM. The agenda of the meeting are as follows:

Agenda:

1. Review of question papers of present semesters examinations
2. Preparation of Panel of Examiners
3. Any other matter with the permission of the Chair.

We request you to kindly make it convenient to attend the meeting and help us in smooth transaction of the proceedings.

Anticipating your participation in the meeting and cooperation.

Thanks & Regards,

Yours faithfully,

(Dr. K. S. Narayanaswamy)

Analysis of Noise Vibration (NVH) of Automotive Components - Evaluation Report Submission Request

From: V. T. U Ph. D Thesis (research@vtu.ac.in)

To: spm_dvg@yahoo.co.in

Date: Wednesday, 26 June, 2019, 11:50 am IST

**Visvesvaraya Technological University**

Jnana Sangama, Belagavi- 590 018, Karnataka State, India.

Prof. Satish Annigeri Ph.D
Registrar(Evaluation)Phone: (0831)2498136
Fax: (0831)2405461
Email: research@vtu.ac.in**STRICTLY CONFIDENTIAL**

To,

DR. SURESH P MMechanical Engineering and Science
ACS COLLEGE OF ENGINEERING, Bengaluru & India
Email: spm_dvg@yahoo.co.in

Date: 26 June 2019.

Dear Professor,

Thank you for your acceptance as an examiner for thesis titled **Analysis of Noise Vibration (NVH) of Automotive Components**. The Particulars of thesis are as below

Name of the candidate	Chandru B T
University Seat Number	1EW11PMN02
Faculty/Branch	Mechanical Engineering and Science
Title of the thesis	Analysis of Noise Vibration (NVH) of Automotive Components
Thesis	Download Thesis
Submit Report	Submit Report
Download Remuneration Bill	Remuneration Form

Instructions to Indian Adjudicators

1. Click on the "Download Thesis" button/link above to download a softcopy of the thesis for evaluation. You will have a maximum of 3 months to submit the report, and reminder emails are sent every month. If your report is not uploaded within the stipulated time, thesis will be sent to alternate adjudicators and it will not be possible to accept your report after that.
2. Click on the "Submit Report" button/link above when you are ready to submit your assessment report. This link will provide you a simple text editor to compose your report. Alternately, you can copy and paste the report previously typed in any word processor.
3. Click on the "Remuneration Form" button/link above to download the form which you can print, fill in your bank details, sign and scan it. The scanned remuneration form can be emailed to research@vtu.ac.in. The amount of remuneration is Rs.4000 + Rs.30 (postage)

Bookmark, star or mark this email for your quick retrieval later, in order to complete the last two steps above. Please submit the report within two months of downloading the thesis. We seek your cooperation in completing this process quickly and efficiently.

8/5/2021

Yahoo Mail - Analysis Noise Vibration (NVH) of Automotive Components - Evaluation Report Submission Request

The honorarium for the thesis evaluation is Rs.4000/- + 30/- postal charges.

"Thesis evaluation is confidential work of the University. In Case anyone tries to contact you over phone or email, kindly bring it to the notice of the undersigned"

Thanking you with warm regards,

Yours truly,

Sd/-

Sub.: Invitation for 3D printing and 3D Scanning workshop on 15th Dec 2018 at CIPET Bangalore.

Respected Sir,

This is for your kind information that CIPET Bangalore is organising a one day workshop on 3D Printing & 3D Scanning Technologies on Saturday, 15th December, 2018. This workshop is designed to benefit the students and industries working in the field of rapid prototyping, additive manufacturing and commercial 3D printing. Many eminent speakers from various industries and academic institutions will be participating to deliver their expert lectures in this workshop. Further there will be hands-on-experience training on 3D printing as well as 3D scanning followed by poster presentations by engineering graduate students. Approximately 75 people would be participating in this workshop.

We kindly invite you to participate with your team on this workshop. We request you to circulate the attached brochure to your students and your faculty members.

The Brochure and tentative schedule of this workshop are enclosed for your kind reference.

Thanking you,

With Best regards,

Abhishek Gandhi

Sir,

Sub: Comprehensive Viva-Voce Examination - reg

By the direction of Vice-Chancellor, you have been appointed as the internal examiner for the Comprehensive Viva-Voce examination of the research scholar Santosh Kumar H N (5VX15PMJ39). The external examiners identified for the said examination are:

1 Dr. H S Siddesh , Professor & HOD , Dept. of Mechanical Engineering, ACS College of Engineering Kambipura, Mysore Road, Bangalore-560074.

2 Dr. S Devaraj , Professor , Dept. of Mechanical Engineering, Reva Univeersity Kattigenahalli, Yelahanka Bangalore-560064.

You are hereby requested to arrange for the same, in consultation with the external examiners, as per the Pr regulation of the University and intimate this office about the same.

The Candidate has completed the following prerequisite course work subjects:

- 1 Advanced Materials and Processing.
- 2 Elements of Machine Design.
- 3 Testing of materials, Surface Treatment and finishing.
- 4 Research Methodology.

Research Topic "A Study of Fatigue Life Behavior on Aluminium Hybrid Composite Material Used For Automobile Drive Shaft."

Thanking You

Yours Sincerely

sd/-

STRICTLY CONFIDENTIAL

Dr. T. Senthil Kumaran Dept of CS ACS, Beluru

Sir / Madam,

Sub : Appointment as paper setter for Jan-Feb / June-July 2017... Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. You are requested to accept the assignment.

Exam: M.Tech / MCA / M.Arch

Course/Branch:

Sem: II Sub: Software Design patterns

15 APR 2017

Sub Code : 1655L23 No. of sets: One To be submitted before :

INSTRUCTIONS TO PAPER SETTERS (CBCS SCHEME)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire , module and further, should be answerable for the set marks. **Each question will carry 16 marks.**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

Encls :

1. Copy of the syllabus
3. Manuscript sheets
5. Outer cover for QP manuscript & scheme
7. Remuneration bill

2. Previous QP / model QP
4. Inner cover for the manuscript
6. Inner cover for the scheme & solution
8. Scheme & solution format

P.T.O.

Visvesvaraya Technological University

Belagavi, Karnataka - 590 018

INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEMES AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure an uniform valuation among valuers / examinations across different valuation centers.
2. The scheme and solutions should be legibly hand written in black ink, so that it could be xeroxed and distributed.
3. A scheme & solution does not mean the splitting of final marks into its component parts (example 2+2+4+2). It has to clearly show the expected answers / response for each component. **(In case the questions are of descriptive nature, the solutions should contain salient / important points of answer)**
4. A scheme and solution which merely shows the component marks are liable to be rejected.
5. The extent of solutions should not exceed the enclosed four pages / sheets and should only indicate the expected important points / steps / graphs / drawings / circuits / figures / calculations / tables and final numerical answers, along with the marks allocation for each of these.
6. Please bear in mind that the students have to complete the answers within 3 hrs / 4 hrs and answer five full questions.
7. The allocation of marks shall be an indicator, for the students, for the extent of answers expected.
8. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / flow diagrams / block diagrams, giving due importance or weightage for factors like neatness / exactness / accuracy in numerical values / units / calculations.
9. The figures / drawings and views / circuit diagrams that are part of answers shall also be given in the solution to ensure that the same is being uniformly evaluated by all the examiners.
10. **Answers shall not be in the form of references / citations where author's name / title of the book / chapter numbers / page numbers / paragraphs / figures etc. are indicated. You cannot expect the examiners to carry the books to the valuation centre.**

REMUNERATION PARTICULARS

Course	Remuneration (Rs.)		Remarks
	Paper Setting	Scheme & Solution	
B.E. / B.Tech. / B.Arch.	400 /-	500 /-	Enclose the bill Separately (Do not enclose the remuneration bill inside the cover / packet that contains the Scheme / Question Paper).
MBA / MCA / M.Tech / M. Arch	450 /-	500 /-	
M.Sc.(Eng.) / Ph.D.	450 /-	500 /-	

SOFTWARE DESIGN PATTERNS
 [As per Choice Based Credit System (CBCS) scheme]
 (Effective from the academic year 2016 -2017)

SEMESTER - II

Subject Code	16SSE23	IA Marks	20
Number of Lecture Hours/Week	04	Exam Marks	80
Total Number of Lecture Hours	50	Exam Hours	03

CREDITS - 04

Course objectives: This course will enable students to

- Develop functionality to designs while minimizing complexity.
- What code qualities are required to maintain to keep code flexible?
- Categorize the common design patterns.

Module -1	Teaching Hours
------------------	-----------------------

Introduction: what is a design pattern? describing design patterns, the catalog of design pattern, organizing the catalog, how design patterns solve design problems, how to select a design pattern, how to use a design pattern. What is object-oriented development? , key concepts of object oriented design other related concepts, benefits and drawbacks of the paradigm

10Hours

Module -2

Analysis a System: overview of the analysis phase, stage 1: gathering the requirements functional requirements specification, defining conceptual classes and relationships, using the knowledge of the domain. Design and Implementation, discussions and further reading.

10 Hours

Module - 3

Design Pattern Catalog: Structural patterns, Adapter, bridge, composite, decorator, facade, flyweight, proxy.

10 Hours

Module-4

Interactive systems and the MVC architecture: Introduction , The MVC architectural pattern, analyzing a simple drawing program , designing the system, designing of the subsystems, getting into implementation , implementing undo operation , drawing incomplete items, adding a new feature , pattern based solutions.

10 Hours

Module-5

Designing with Distributed Objects: Client server system, java remote method invocation, implementing an object oriented system on the web (discussions and further reading) a note on input and output, selection statements, loops arrays.

10 Hours

Course outcomes:

The student should be able to

- Design and implement codes with higher performance and lower complexity
- Discover code qualities needed to keep code flexible
- Assess the quality of a design with respect to these principles.
- Apply principles in the design of object oriented systems.
- Demonstrate an understanding of a range of design patterns.
- Comprehending a design presented using this vocabulary.
- Select and apply suitable patterns in specific contexts

Question paper pattern:

The question paper will have ten questions.

There will be 2 questions from each module.

Each question will have questions covering all the topics under a module.

The students will have to answer 5 full questions, selecting one full question from each module.

Text Books:

1. Object-oriented analysis, design and implementation, brahma dathan, sarnath rammath,

universities press,2013.

2. Design patterns, Erich Gamma, Richard Helan, Ralph Johman , John Vlissides, PEARSON Publication,2013.

Reference Books:

1. Frank Bachmann, RegineMeunier, Hans Rohnert "Pattern Oriented Software Architecture" – Volume 1, 1996.
2. William J Brown et al., "Anti-Patterns: Refactoring Software, Architectures and Projects in Crisis", John Wiley, 1998.

GAYATRI JOSHI, Department of BM, ACS COLLEGE OF ENGINEERING, BANGALORE
Sir/Madam,

Sub : Appointment as paper setter for May / June-July 2018 Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under.
You are **requested to accept the assignment.**

Exam: B.E./B.Tech/B.Arch/M.Arch/MBA/MCA/M.Tech
Sem: 8

Course / Branch: BM

Subject Name: Data Base Management System in
Healthcare

Subject Code: 10BM81

No. of sets: 1

To be submitted before: 31-
03-2018

INSTRUCTIONS TO PAPER SETTERS (2010 SCHEME)

Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.

- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set eight questions, out of which, the students have to answer five full questions. (Unless otherwise specified).
- Wherever syllabus is made unitwise consisting of **8 units**, ONE FULL question should be set from each unit, (not applicable to MBA).
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus**. There shall be a **maximum of four subdivisions in each question**. Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

Registrar (Evaluation)

Encls:

1. Copy of the syllabus.
3. Manuscript sheets.
5. Outer cover for QP manuscript & scheme.
7. Remuneration bill.

2. Previous QP / model QP.
4. Inner cover for the manuscript.
6. Inner cover for the scheme & solution.
8. Scheme & solution format.

Date : 10-10-2018

MR.GAYATRI JOSHI, Department of BM, ACS COLLEGE OF ENGINEERING, BANGALORE
Sir/Madam,

Sub : Appointment as paper setter for Dec-2018 / Jan-2019 Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. You are requested to accept the assignment.

Exam: B.E / B.Tech

Course / Branch: BM

Sem: 7

Subject Name: Biomedical Digital Signal Processing

Subject Code: 15BM71

No. of sets: 1

To be submitted before: 29-10-2018

INSTRUCTIONS TO PAPER SETTERS (CBCS 2015 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set TEN questions, such that TWO questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. Each question will carry 16 marks.
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed.
- Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of THREE subdivisions in each question. Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheets meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

No. of sets: 1

To be submitted before: 05-07-2021

MOST URGENT

INSTRUCTIONS TO PAPER SETTERS

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set TEN questions, such that TWO questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. Each question will carry 20 marks.
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed.
- Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of THREE subdivisions in each question. Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

Rangaswami B. S.

Registrar (Evaluation)

DR G RAMANAN, ACS COLLEGE OF ENGINEERING, KAMBIPURA MYSORE ROAD, KENGERI HUBLI, BANGALURU
Sir/Madam,

Sub : Appointment as paper setter for DEC-JAN 2021 EXAMINATIONS.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under.
You are requested to accept the assignment.

Exam: B.E / B.Tech

Course / Branch

Sem: 5

Subject Name: Aircraft Transportation Systems

Subject Code: 17AE563

No. of sets: 1

To be submitted before: 16-12-2020

INSTRUCTIONS TO PAPER SETTERS (CBCS 2017 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from **EACH MODULE**. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. Each question will carry **20 marks**.
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed.
- Questions shall **strictly** be from the university prescribed books, covering the entire syllabus. There shall be a **maximum of THREE** subdivisions in each question. Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions: Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Dr. G. Raman..... Dept of AE..... ACS B'lore

Sir / Madam,

Sub : Appointment as paper setter for November /December 2021 Examinations.

In the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. You are requested to accept the assignment.

Exam: Ph.D. / M.Sc. (Research)

Course/Branch:

Sub: Flight Testing

Sub Code : 16.M.A.E.253 No. of sets: 02 To be submitted before : 26 JUL 2021

INSTRUCTIONS TO PAPER SETTERS (CBCS 2016/17 SCHEME) Ph.D./M.Sc.(Research)

Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.

Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)

Set TEN questions, such that TWO questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. Each question will carry 20 marks.

Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of THREE subdivisions in each question. Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.

Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.

Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.

Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..

However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.

Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.

Furnish the scheme & solutions, in the enclosed bar code booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.

A question paper without "Scheme & Solution" is liable for rejection.

Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.

Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.

In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

P.T.O.

INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEMES AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure an uniform valuation among valuers / examinations across different valuation centers.
2. The scheme and solutions should be legibly hand written in black ink, so that it could be xeroxed and distributed.
3. A scheme & solution does not mean the splitting of final marks into its component parts (example 2+2+4+2). It has to clearly show the expected answers / response for each component. (In case the questions are of descriptive nature, the solutions should contain salient / important points of answer)
4. A scheme and solution which merely shows the component marks are liable to be rejected.
5. The extent of solutions should not exceed the enclosed four pages / sheets and should only indicate the expected important points / steps / graphs / drawings / circuits / figures / calculations / tables and final numerical answers, along with the marks allocation for each of these.
6. Please bear in mind that the students have to complete the answers within 3 hrs / 4 hrs and answer five full questions.
7. The allocation of marks shall be an indicator, for the students, for the extent of answers expected.
8. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / flow diagrams / block diagrams, giving due importance or weightage for factors like neatness / exactness / accuracy in numerical values / units / calculations.
9. The figures / drawings and views / circuit diagrams that are part of answers shall also be given in the solution to ensure that the same is being uniformly evaluated by all the examiners.
10. Answers shall not be in the form of references / citations where author's name / title of the book / chapter numbers / page numbers / paragraphs / figures etc. are indicated. You cannot expect the examiners to carry the books to the valuation centre.

Date : 13-05-2020

MR.DHANYA PRAKASH R BABU, Department of AE, ACS COLLEGE OF ENGINEERING, BANGALORE
Sir/Madam,

Sub : Appointment as paper setter for JUNE-JULY 2020 EXAMINATIONS.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under.
You are requested to accept the assignment.

Exam: B.E / B.Tech

Course / Branch: AE

Sem: 5

Subject Name: EXPERIMENTAL STRESS ANALYSIS

Subject Code: 17AE654

No. of sets: 1

MOST URGENT

To be submitted before: 05-06-2020

INSTRUCTIONS TO PAPER SETTERS (CBCS 2017 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set TEN questions, such that TWO questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. Each question will carry 20 marks.
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed.
- Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of THREE subdivisions in each question. Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black Ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

Registrar (Evaluation)

Encs:

1. Copy of the syllabus.
2. Manuscript sheets
3. Inner cover for the manuscript.
4. Outer barcode cover for QP manuscript & scheme.
5. Inner cover for the scheme & solution.
6. Remuneration bill.
7. Scheme & solution sheet.
