*A Report on College Cultural Fest – “~~AAROHANA~~ 2017” held during
07 April 2017 - 08 April 2017*

ACS College of Engineering started in the year 2009 under Moogambigai Charitable and Educational Trust, which was established in the year 1992 by our respected Chairman Sri A.C. Shanmugam, B.A.L.L.B. with the sole objective for starting institutions of higher education for exemplary stature to serve the people of Karnataka.

The ACS College of Engineering started with four branches namely Electronics & Communication Engineering, Computer Science & Engineering, Civil Engineering and Mechanical Engineering Department.

VISION OF THE COLLEGE:

Engineering the future of the nation by transforming the students to be technically skilled managers, innovative leaders and environmentally receptive citizens.

MISSION OF THE COLLEGE:

To implement holistic approach in curriculum and pedagogy through Industry Integrated Interactions to meet the needs of Global Engineering Environment.

To develop students with knowledge, attitude and skill of employability, entrepreneurship (Be Job creators than job seekers), research potential and professionally ethical citizens.

QUALITY POLICY:

ACS COLLEGE OF ENGINEERING IS COMMITTED TO:

- Provide Quality Technical Education in Undergraduate, Post Graduate and Doctoral fields as per the university syllabus and beyond in strict compliance with AICTE requirements and Industrial Needs through industry institute interaction.

- The quality Education encompasses the needs and expectations of all interested stake holders with a strong focus on student centric approach and providing them 360° exposure and making them globally competitive.
- The main focus would be to enrich the students with character and make them employable and successful in their lives by inculcating life employability, entrepreneurship skills and provide ethical values, ensuring that our institution creates employers not employees.
- We will strive consistently to achieve these through building competencies among faculties and students and continual improvement of the QMS.

AAROHANA 2017

Apart from Academic, ACS College of Engineering provides platform for all the students to show their talents as a part of college cultural fest. The College Cultural Fest was called by a name "AAROHANA-2017". As per the culture of ACS College of Engineering, every academic year the college organises college cultural fest for aspirants assembling from all the departments of ACS College of Engineering with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes.

For the preceding academic Year 2017 ACS College of Engineering have organized college cultural fest "AAROHANA-2017" with the same enthusiasm and strong determination among the new set of students and outgoing students being Coordinators for the fest along with student volunteers under the faculty guidance/coordination during 05 April 2017 - 06 April 2017.

These fests are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. The "AAROHANA-2017" was successful enough to attract all the Students for two day fest which includes all the events. The "AAROHANA-2017" fest executed with a total of 15 events planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene.
