

DEPARTMENT OF AEROSPACE ENGINEERING

Report for Seminar on “Recent Environmental Challenges for Engineers in India – World Environment Day Celebration”

Name of the Event	:	Technical Seminar
Resource Person	:	Dr. K. Aravindhyan Associate Professor, Civil Engineering Department, Rajarajeswari College of Engineering, Bangalore.
Date & Time	:	05.06.2023 & 3 PM
Venue	:	IV Floor Seminar Hall.
No. of Participants	:	59 Students + 6 Teaching staff + 2 Non-Teaching staff

About the Seminar

The Department of Aerospace Engineering organized the technical seminar titled **“Recent Environmental challenges for Engineers in India – World Environment Day Celebration”** in view of **World Environment Day 2023 celebration** to create awareness among the engineering graduates on the challenges and importance of creating sustainable environment.

The program was started at 3 PM with the welcome speech by Ms. Pratheeksha, III-year Aerospace Engineering. Then Ms. Ranjitha, III-year Aerospace Engineering introduced the resource person to the audience followed by Dr. Paramaguru V, Associate Professor of Aerospace Engineering greeted the resource person with memento and gift. The resource person handled a very useful session on the need and challenges in creating future environment for engineer. The resource person highlighted the following points.

- What is Sustainable Environment?
- Global Environmental Management Systems
- Land, Air and Water Pollution and their Measurement
- Responsibility of Engineers for environment pollution control
- Green initiatives for eco-friendly environment.

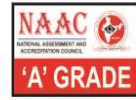

At the end of the session, students interacted with the resource person to clarify their doubts in the topic. Students expressed their gratitude that the program was highly informative and useful. Finally, the seminar ended with the vote of thanks.
