**About the Event:**

The department of Aeronautical Engineering organized a Career Awareness and Support Program on Higher Education in abroad program on 18<sup>th</sup> Oct 2022. The program was started at 02.00 PM with the welcome speech by Dr.G.Ramanan, HOD and introduction about the guest was given by Mr.Radhakrishnan, AE Department. The resource person handled an interactive session about the roles and strengths of the International Relations and Higher Studies, the key aspects of International Higher Education, vital parameters to consider before applying, how to apply and other important information. They encouraged students to gain new skills needed for pursuing higher education abroad and informed the students to identify the countries from which they can pursue international education, the fields, levels of study, programs or courses to choose from and universities that best suit their profiles and resources. At the end of session the vote of thanks was proposed by Mr.Radhakrishnan, Assistant Professor, AE Dept. The entire programme was co-ordinate with the support of the management, Principal, faculty, Professors and students of the Aeronautical Engineering, ACSCE.
