#### About the Seminar

The awareness program titled “**Study Overseas – Insights towards free scholarship for Higher Education in Foreign Universities**” was organized to create awareness among the Aerospace and Aeronautical engineering students about the preparedness and procedures in overseas education.

The program was started at 2.30 pm. Dr. Mukesh R, HoD of Aerospace Department introduced the resource person and addressed the gatherings. The resource person handled a very informative session on overseas education opportunities. The resource person outlined the following points.

- Countries and Universities offering scholarships for Indian Students
- Higher education opportunities for Aerospace Graduands in India and Abroad
- Various Universities and courses offered in Italy.
- Pre-requisites to get admission in overseas Universities.
- Procedures for getting Higher Education admission in abroad.
- How to prepare for ILETS, GRE, TOEFL and Higher studies admission in foreign nations?

At the end of the session, students interacted with the resource person to clarify their doubts. Students expressed their gratitude that the program was highly informative and interesting. Finally, the seminar ended with the vote of thanks.
