

DEPARTMENT OF AEROSPACE ENGINEERING

Report for Hands on training session on “CATIA Modelling software”

Name of the Event	:	Hands on training session
Resource Person	:	Ms. Gyathri, CADD Engineer, Jhana Infotech, Bangalore
Date & Time	:	20.06.2024 & 02.00 PM
Venue	:	IV floor Seminar Hall
No. of Participants	:	62 Students.

About the Event

The Hands on training session on “CATIA Modelling Software” was organized to make the Second and Third year Aerospace students to understand the tools and to practice the CATIA modelling software on modelling Engineering systems.

The program was started at 2.00 pm. Dr. C. Suresh, Associate Professor, ACSCE greeted and introduced the resource person to the audience. The resource person handled a very useful session Design and Modelling.

The resource person outlined the following points.

- **Overview of CATIA:** Introducing on CATIA, its history, and its applications in various industries.
- **User Interface:** CATIA interface, including toolbars, menus, and navigation tools.
- **Sketcher Workbench:** Sketcher workbench and its tools.
- **Creating Basic Shapes:** To create lines, circles, rectangles, and other basic shapes.
- **Constraints and Dimensions:** To add constraints and dimensions to sketches
- **Part Design and Assembly**

At the end of the session, students interacted with the resource person to clarify their doubts and the resource person motivated the students to enrich their skills in CATIA. Students expressed their gratitude that the program was highly informative and interesting.
