Report on Project Exhibition-2024

Project Expo was put on by the Department of Computer Science and Engineering – 2024 with the collaboration with circuit batches for the final students. Innovative concepts are used to develop projects, and it has attracted a large number of students to visit the Project exhibition 2024. The Exhibition was held on 9th May2024 at CSE block 1st floor. The significant goal of arranging this show was to give the stage and release the capability of the understudies by exhibiting their imaginative activities developed in the final year, with either a focus on user-defined or industry-defined issues, problems and provides students with a chance to demonstrate their knowledge. **Mr. Madhusudan Kannan, Technical Manager, Quantum Care**, who was the chief guest of honor at the inauguration, gave the students inspiring remarks in which he emphasized the importance of investing in enhancing each engineering student's practical knowledge beyond the theoretical knowledge they acquire during their studies. Honorable dignitaries from the institution, **Dr. AnandtirthaGudi**, Principal and **Dr. T. Senthil Kumaran** HOD, Dept. of CSE, were also present at the inauguration celebration.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Event title : "RESEARCH PAPER GUIDANCE FOR 4TH SEM & 6TH SEM STUDENTS"

Date : 19th AUG 2023

Time : 10.45 am till 12.45pm

Resource Person: **Dr.Preenon Bagchi**

Bio-Informatics, Bangalore

Venue : 1st floor, Seminar hall (CSE)

Program Objective:

The objective of this program is to provide comprehensive guidance to 4th-semester and 6th-semester students on developing, writing, and publishing high-quality research papers. The program aims to enhance students' research aptitude by equipping them with the skills to select relevant topics, conduct literature reviews, structure their papers effectively, and follow ethical practices in research. It also focuses on improving their understanding of research methodologies, citation styles, and publication processes to foster academic excellence and innovation.

Program Outcome:

By the end of this program, 4th-semester and 6th-semester students will have gained the necessary skills and knowledge to effectively conduct research, draft high-quality research papers, and understand the publication process. Students will be equipped to identify research problems, perform comprehensive literature reviews, structure their papers professionally, and apply proper citation methods. Additionally, they will develop critical thinking, ethical research practices, and the ability to use research tools effectively, preparing them for future academic and professional research endeavors.

Targeted Audience: CSE students

Number of Audience: 140

Organizing Committee:

Program Head: Dr.T.Senthil Kumaran., Head & Professor Dept. Of CSE

Program Co-Ordinator

Report on TECHxCSE 24 - STATE LEVEL TECHNICAL SYMPOSIUM

The Department of Computer Science & Engineering at ACS College of Engineering, Bangalore, hosted the state-level technical symposium "**TECHxCSE'24,**" which took place on 20/02/2024 – 21/02/2024. From the beginning to the end, every facet of the event was the result of the department's teachers and students' combined efforts. The symposium website started on February 1st, 2024, and registrations concluded on February 18th, 2024; during this time, a record number of participants from over 20 colleges throughout the state were noted. **MR. GIRIDHAR M S, SENIOR SOFTWARE ENGINEER, CONTINENTAL, CONTITECH IT DIVISION and MR. VINAY S H TECHNICAL SPECIALIST**, CONTINENTAL, who was the chief guest of honor at the inauguration, gave the students inspiring remarks in which he emphasized the importance of investing in enhancing each engineering student's practical knowledge beyond the theoretical knowledge they acquire during their studies. Honorable dignitaries from the institution, **Dr. AnandtirthaGudi**, Principal and **Dr. T. Senthil Kumaran** HOD, Dept. of CSE, were also present at the inauguration celebration.
