

ACS COLLEGE OF ENGINEERING

Kambipura, Mysore Road, Bengaluru – 560074 (Affiliated to VTU, Approved by AICTE, Accredited to NAAC A Grade and Recognized by Govt of Karnataka) DEPARTMENT OF AERONAUTICAL ENGINEERING (Accredited by NBA)

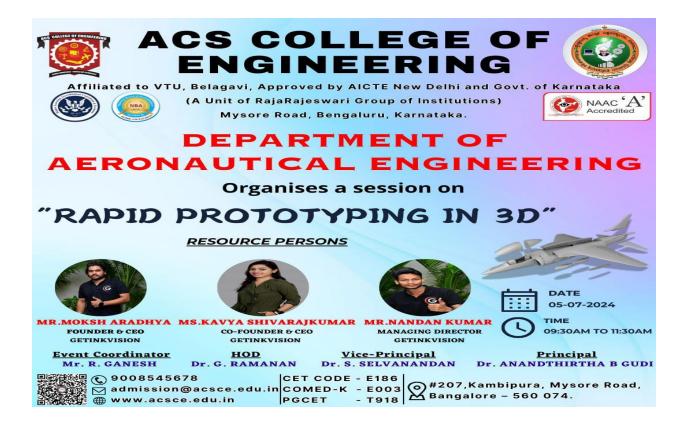

Event Report (AY 2023-2024)

Name of the Event	: Rapid Prototyping in 3D Printing
Date & Time	: 05/07/2024 (Friday) from 09.30 to 11.30am
Place	: 4 th floor Seminar Hall
Resource Person	: Mr.Moksha Aradhya, CEO, Getink Vision
No of Student Participants	: 105 Students

About the Event:

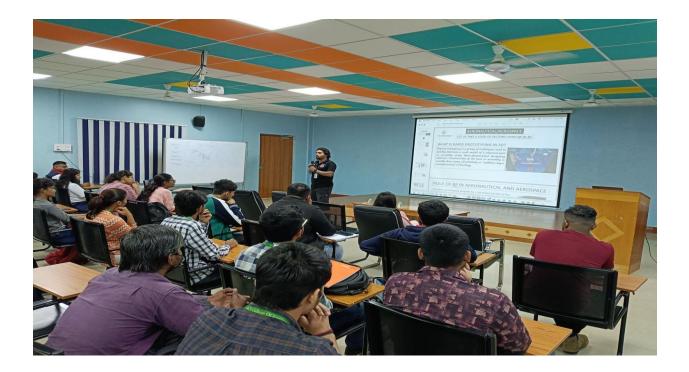

The Department of Aeronautical Engineering conducted a session on "Rapid prototyping in 3D Printing" on 05-07-2024. The program was started at 09.30AM with the welcome speech and introduction talk was given by Dr.G.Ramanan, HOD, AE Dept. Dr.Anand, Associate Professor, facilitated the resource person with a memento. The session covered the principles of 3D printing, highlighting its applications in rapid prototyping for industries such as aerospace, automotive, etc. Participants were introduced to various 3D printing techniques, materials used, and the design-to-production workflow. The program also focused on the role of 3D printing in fostering creativity and problem-solving skills among engineers. At the end of the session, the vote of thanks was proposed by Mr.Radha Krishnan P, Assistant Professor, AE Dept. The entire program was coordinated with the support of the management, Principal, faculty, Professors and students of the Aeronautical Engineering, ACSCE.
