Environmental Day typically refers to World Environment Day, which is celebrated on June 5th every year. It's a day dedicated to raising awareness about environmental issues and encouraging people to take positive environmental action to protect our planet. The day serves as a reminder of the importance of environmental conservation and sustainability practices globally. Department of Biomedical Engineering celebrated Environmental Day on July 5<sup>th</sup> 2024. Dr.P.Bhuvaneshwari, HoD of BME and student representatives from each class volunteered and planted the saplings.
